The Nomination Committee of Scandi Standard hereby presents its proposals and information regarding the Board of Directors.

1. Description of the Nomination Committee's work ahead of the Annual General Meeting 2017

The composition of the Nomination Committee was made public by Scandi Standard AB (publ) ("Scandi Standard") on 13 September, 2016. The Nomination Committee consists of the following members:

- Per Harkjaer (Chairman of Scandi Standard's Board of Directors)
- Hans Hedström (Carnegie Fonder), Chairman of the Nomination Committee
- Gustav Lindner (Investment AB Öresund)
- Knut Pousette (Kvalitena AB)
- Ulf Zenk (Lantmännen Kycklinginvest AB)

The Nomination Committee started its work by reviewing the tasks incumbent on it under the Swedish Corporate Governance Code and the Instruction for the Nomination Committee adopted at the Annual General Meeting 2016. A time plan was set for the Nomination Committee's work going forward and the Chairman of the Board of Directors presented his views on the company's position and strategy. The Committee reviewed the results of the external evaluation of the Board work and procedures, including the performance of the Chairman of the Board and the CEO. On this basis, the Nomination Committee has assessed what competence and experience is required of Scandi Standard's Board members and evaluated the need for increased diversity on the board in terms of age, gender, cultural/geographic background and ownership representation and has talked with candidates for nomination as Board members. The Nomination Committee also had contacts with the Chairman of the Audit Committee to familiarize itself with the assessments made by the company and the Audit Committee of the quality and efficiency of external auditor work. The Audit Committee also provided its recommendations on external auditor and auditor fees. The Nomination Committee also has been in contact with the external auditor regarding the cooperation with the company and the audit committee. As of 10 March, 2017, the Nomination Committee has held five meetings.

2. The Nomination Committee's proposals and explanations

Item 1: Chairman of the Annual General Meeting

The Nomination Committee proposes that Advokat Sven Unger be elected Chairman of the Annual General Meeting of shareholders 2017.

Item 9(a) and 10: Number of board members of the board of directors to be elected by the Annual General Meeting

According to the articles of association, the board shall consist of no less than three and no more than eight board members, without deputies. To better reflect the ownership structure of the company, the Nomination Committee proposes that the number of board members elected by the Annual General Meeting of Shareholders shall be increased to nine as opposed to the current eight without deputies and that § 6 of the Articles of Association be amended accordingly, Exhibit 1.

Item 11: Fees payable to members of the board of directors elected by the Annual General Meeting and to members of the committees of the board elected by the Annual General Meeting

It is important that board fees are maintained at an appropriate level to make it possible to recruit the best possible international competence to the board of directors of Scandi Standard and to make it possible to keep such competence. The Nomination Committee has, using independently prepared benchmarking, compared the board fees in Scandi Standard with board fees in other mid-market comparable companies on Nasdaq Stockholm. The Nomination Committee has concluded that compared with the board fees in companies of equal size and complexity, the proposed fees are in line.

Consequently, the Nomination Committee proposes that total fees to the board members, for the period until the next Annual General Meeting, shall be increased to SEK 2,750,000. The fee to the chairman of the board shall remain SEK 550,000 and the individual fee payable to the other eight non-employed board members elected by the Annual General Meeting shall remain SEK 275,000.

The Nomination Committee proposes that total fees to committees of the board, for the period until the next Annual General Meeting, shall remain SEK 330,000. This comprises an individual annual fee of SEK 130,000 for the Chairman of the Audit Committee, SEK 50,000 for each of the two other members of the Audit Committee, SEK 50,000 for the chairman of the Remuneration Committee and SEK 25,000 for each of the two other members of the Remuneration Committee. The Nomination Committee considers that the fees for committee work are reasonable.

The Nomination Committee takes into account the competence and experience of each individual member along with the individual member's contribution to the board work as a whole in its appraisal of qualifications and performance of the individual board members. The Nomination Committee considers it important that board members can devote the necessary time and care required to fulfil their tasks as board members in Scandi Standard, and has therefore also familiarized itself with the proposed Board members' engagements outside of Scandi Standard and the time they require.

The Nomination Committee considers that the current Board and Board work is well functioning and that the board fulfils high expectations in terms of composition and that the Board as well as the individual board members fulfil high expectations in terms of expertise.
