

PRESS RELEASE 22 January, 2016

The Swedish Competition Authority claims prohibition against Kronfågel's acquisition of Lagerbergs

The Swedish Competition Authority (Konkurrensverket) today made public that it is going to court claiming to get a prohibition against Kronfågel AB's, owned by Scandi Standard, acquisition of Lagerbergs.

Scandi Standard disagrees with Konkurrensverket's assessment and will now review the submission and consider its options.
